NOTIFICATION OF APPROVAL OF PLANNING PERMISSION

Application Number: 190030
Applicant Name: Mr & Mrs BOSHIER
Site Address: 12 Glebe Lane, Sonning, Wokingham, RG4 6XH
Proposal: Householder application for proposed erection of single storey front/side/rear extension to dwelling plus open canopy porch, following demolition of existing single storey rear and side extensions.

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants permission** for the above development to be carried out as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered 18/719-01, 18/719-02 and 18/719-03 received by the local planning authority on 10 January 2019. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. External materials

The materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of a similar appearance to those used in the existing

building unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: To ensure that the external appearance of the building is satisfactory.

Relevant policy: Core Strategy policies CP1 and CP3.

4. The ground floor window serving the WC in the side elevation of the development hereby permitted shall be fitted with obscured glass and shall be permanently so-retained. The window shall be non-opening unless the parts of the window which can be opened are more than 1.7 metres above the finished floor level of the room in which the window is installed and shall be permanently so-retained.

Reason: To safeguard the residential amenities of neighbouring properties. Relevant policy: Core Strategy policy CP3.

5. Access to be widened

The extensions hereby permitted shall not be occupied until the vehicular access from the highway has been increased to a width of 7.5 metres (this work will need separate authorisation by the Borough's highway section – see informative below).

Reason: To allow vehicular access to off-street parking spaces without causing damage to the footway and kerb, and to avoid undue delay in vehicles leaving the highway in the interests of highway safety and convenience. Relevant policy: Core Strategy policies CP3 & CP6.

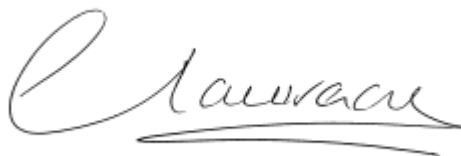

Informatives

1. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

2. The Head of Highways at the Council Offices, Shute End, Wokingham [0118 9746000] should be contacted for the approval of the access construction details before any work is carried out within the highway (including verges and footways). This planning permission does NOT authorise the construction of such an access or works.

3. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.
