### **NOTIFICATION OF APPROVAL OF PLANNING PERMISSION**

**Application Number:** 190281  
**Applicant Name:** Mr & Mrs Sulaj  
**Site Address:** 2 South Drive, Sonning, RG4 6GB  
**Proposal:** Householder application for the proposed erection of a first floor front/side extension; two storey rear/side extension and a two storey rear extension plus the erection of 2no side dormer extensions

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants permission** for the above development to be carried out as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

#### **Conditions and Reasons**

##### 1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

*Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).*

##### 2. Approved details

This permission is in respect of the submitted application plans and drawings numbered 01, 05A and 06 received by the local planning authority on 18 February 2019. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

*Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.*

##### 3. External materials

The materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of a similar appearance to those used in the existing

building unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

*Reason: To ensure that the external appearance of the building is satisfactory.*

*Relevant policy: Core Strategy policies CP1 and CP3.*

#### 4. Restriction of permitted development rights - windows

Notwithstanding the provisions of the Town and Country Planning, (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no additional windows or similar openings shall be constructed in the first floor level or above in the side elevations (north and south) of the extensions hereby permitted except for any which may be shown on the approved drawing(s).

*Reason: To safeguard the residential amenities of neighbouring properties. Relevant policy: Core Strategy policy CP3.*

5. The first floor windows serving the en-suites to bedroom 1 and bedroom 4 and the second floor windows serving the en-suites to bedroom 5 and bedroom 6 in the side elevations (north and south) of the development hereby permitted shall be fitted with obscured glass and shall be permanently so-retained. The windows shall be non-opening unless the parts of the windows which can be opened are more than 1.7 metres above the finished floor level of the rooms in which the windows are installed and shall be permanently so-retained.

*Reason: To safeguard the residential amenities of neighbouring properties. Relevant policy: Core Strategy policy CP3.*

### **Informatives**

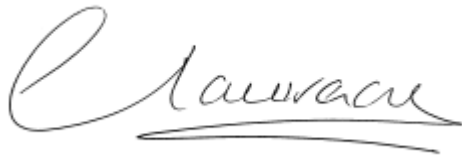

1. Existing landscape features such as hedges between dwellings should be protected during the construction process in order to preserve screening and mitigate the impact of extended buildings on neighbouring dwellings. Mitigation by way of additional planting to the rear boundary, particularly when facing the countryside, is another way of mitigating the impact of large extensions on the surrounding landscape

2. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development. For more information see -

<http://www.wokingham.gov.uk/planning/developers/cil/cil-processes/>

3. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

**Appeals to the Secretary of State:** If your application has been **refused** by the Borough Council or **granted subject to conditions** that you are not happy with, you have the right to appeal to the Planning Inspectorate (under Section 78 of the Town and Country Planning Act 1990). **Access to privately owned land:** The applicant is reminded that this permission does not give right of entry to land not in the ownership of the applicant. Permission must be sought from any other landowner(s) if access is required.

**Building Regulations:** Building regulations approval may be required for the proposed development; please see the Council's website regarding this <http://www.wokingham.gov.uk/building-control/>.
