2. Site Description

Two storey detached dwelling

3. Land/ Property Designations

- There are no listed buildings at the site and the property is not within 'Article 2(3) land' (Town and Country Planning (General Permitted Development) Order 2015).
- The site is not subject to any wildlife or habitat designations.
- The property is within the Major Development Location of Twyford

4. Legislation

Town and Country Planning Act 1990 (as amended)

- s.55 Provides that 'development' includes the carrying out of building operations on land, and 'building operations' includes structural alterations or additions to buildings.
- s.57 Planning permission is needed for all development of land.
- s.187a Enforcement for breach of conditions
- s.192 Applications for Certificates of Lawfulness of proposed use or development.
- s.191 Defines operations as 'lawful' if:
 - (a) No enforcement action may be taken in respect of them (whether because they did not involve development or require planning permission or because the time for enforcement action has expired or for any other reason); and

(b) They do not constitute a contravention of any of the requirements of any enforcement notice then in force.

Town and Country Planning (General Permitted Development) Order 2015 (GPDO)

Article 3 In conjunction with Schedule 2 (Part 1) (Class A) grants planning permission for the "enlargement, improvement or other alteration of a dwellinghouse".

Article 4 Provides that the planning authority may give direction to restrict the effect of Article 3.

5. The Public Sector Equality Duty (Equality Act 2010):

In determining this application the Council is required to have due regard to its obligations under the Equality Act 2010. The key equalities protected characteristics include age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief. There is no indication or evidence (including from consultation on the application) that persons with protected characteristics as identified by the Act have or will have different needs, experiences, issues and priorities in relation to this particular planning application and there would be no significant adverse impacts as a result of the development.

6. Relevant details of the proposal:

8. Conclusion

The proposed erection of a single storey rear extension, to include the insertion of 3no. roof lights, following demolition of existing coal shed, plus changes to fenestration constitutes development and thus requires planning permission. Permission is available under Article 3 of the Town and Country Planning (General Permitted Development) Order 2015, the proposal being in accordance with Schedule 2 (Part 1) (Class A) of the Order.
