Notes.

1 All dimensions are shown in MILLIMETRES and must be checked on site prior to the commencement of work and any discrepancy is to be reported.

2 All work is to comply with the current requirements of the Building Regulations and allied legislation.

3 All materials are to be used and installed in strict compliance with the relevant manufacturer's recommendations.

4 Whilst every effort has been made to correctly identify species of trees on the site, we advise that an arboriculturalist be consulted before any final decisions are made.

5 Grid coordinates are based on an arbitrary system.
