The Wokingham District Council in pursuance of their powers under the above Acts and Regulations hereby **Approve Permission** for carrying out the above development in accordance with the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Condition
1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Condition

Appraisal :

This application is for a first floor side extension.

Neighbours.
No 27 has a 2m fence on the boundary. There are no side windows. The extension is approx. 3.5m from 27. The ridge height is set down 1m from the main ridge line with the eaves at 2.7m. There is a large dormer on the front elevation with a hipped roof and the roof towards the rear is hipped too. This would reduce any overbearing and light issues with the neighbour at No 27.
All other neighbours are a sufficient distance away for any impact to be minimised.

Street scene.
The reduced ridge height and the dormer window have resulted in decreasing the bulk of the extension and helping to reduce the risk of a terracing effect. Therefore the extension is satisfactory with regard to policies.

There is sufficient parking to satisfy highways policies.
