Dear Ms. Tripp

Re: Bridge House Nursing Home, High Street, Twyford, Reading
Ref: F/2000/2729

We refer to your letter dated 8th February 2006 in which you conveyed queries expressed by the Landscape Officer regarding the reduction in ground levels adjacent to the Yew hedgerow at the above proposed development.

Please find enclosed 4no. copies of amended drawing 0531 / D06 rev C illustrating the addition of a brick retaining wall in order to maintain the soil levels in the area in question in order to prevent damage to the roots of the hedge and maintain its future retention.

We trust the above and the enclosed is met with your approval and that you will now be able to clear the relevant conditions. We look forward to receiving your confirmation of this.

In the meantime should you have any further queries please do not hesitate to contact us.

Yours faithfully

Paul Vincent
