COMMENTS:

My wife and I have lived in Hurst since 2005 and moved here for the semi-rural village environment. The building of another 100 houses in Tape Lane would produce a further 200 or so cars on to roads which are simply not designed for these traffic levels. The local bus service is intermittent at best, the local school and doctor's surgery are full to capacity and the development would see Wards Cross merged with Whistley Green which was never intended. Please take these important points into consideration when - hopefully rejecting this proposal. June & Brian Quinlan
