COMMENTS:

I strongly object to this. This is not inline with the purpose of this park this is office space and business - centres exist in Reading Maidenhead Windsor and Bracknell - I think is plenty and these should be utilised!

As these will be used several times a day volumes of traffic and bottlenecks will happen in an already extremely busy area this is not practical and not wanted by residents or locals. If this space must be utilised there are plenty of other more beneficial uses for this space that will benefit our diverse community as a whole rather than a certain group.
