PROPERTY ADDRESS : Bowyer Way
: Wokingham, Berkshire
: RG41 5RX
SUBMITTED BY : Mrs K Alderson
DATE SUBMITTED : 24/03/2025

COMMENTS:

I strongly object!

There is not enough parking to support the number of people who would be visiting daily, this would also have an impact on the businesses close by whose dedicated parking for their customers, would be used by these visitors. I've witnessed first hand the mayhem caused by other religious venues at certain times of the day especially on a Friday and this is not what is needed for this area with the growing population and increasing housing developments. There are already enough religious venues close by for locals to be able to attend, there are more important things the venue could be used for such as social place for our children to attend or something we could ALL use as a community. Please use common sense this is not a suitable location.
