PLANNING REF : 262237
PROPERTY ADDRESS : 21 Hambleton Way
: Winnersh, Berkshire
: RG41 5SH
SUBMITTED BY : Mrs Michelle Hedges
DATE SUBMITTED : 04/11/2026

COMMENTS:
We are semi attached to this property and have no objections or concerns to this planning application. The units are visible on the street side, but so are many other air conditioning units on the estate. We do not think they impair the surroundings but are more like a familiar sight due to our increasingly warmer temperatures in the summer. I can confirm that our house is practically unbearable in the height of summer.
I fully support this application and have no issues.
