COMMENTS:

I object to this planning application for the following reasons:

1. The site lies outside the Settlement Boundary and is classified as countryside.
2. The proposal is not in keeping with the established character of the area and fails to enhance the street scene.
3. The loss of woodland and green space would harm local wildlife. This is contrary to existing policies which are aimed at protecting and enhancing biodiversity.
4. If any hardstandings were created this would adversely affect the local drainage and environment conditions.
