Planning Issues :

Effect on street scene & neighbouring properties
Identified settlement. LOBEL.

Application Number: F/2000/0407

Appraisal :

This application is for a single storey front [redacted] and side extension.
Neighbours.
The extension has an eaves height of 2.2m and ridge height of 3.8m. The boundary fence is 1.5m high and partially obscures the extension from the neighbour at 6 Mildenhall Close. The garages partially obscure the proposal from the neighbours, and its siting in the corner of the cul-de-sac makes less visible, and further reduces any impact it might have.

Street scene.
The proposal is set back from the street scene and is partially obscured from views by adjacent garages. This reduces any adverse impact the proposal may have on [redacted] the street scene.

Dear Sirs

PLANNING PERMISSION 2000/0407
SITE: 41 THE DELPH, LOWER EARLEY

I note that you have submitted an application for Building Regulations approval.

I would like to take this opportunity to remind you that Planning Permission Number 2000/0407 has condition(s) attached to it. Some of these condition(s) may require approval prior to work commencing on site.

The Council considers that it is important that planning conditions are fully complied with to ensure that development proceeds in the manner it was intended. Consequently, I must point out that failure to comply with the condition(s) could result in a Breach of Condition Notice being served. If the Notice is not complied with your client could be liable to a £1,000 fine.

Any work carried out prior to these conditions being formally discharged is undertaken at your own risk and expense.

If you have already complied with these conditions, please disregard this letter.

If you have any queries regarding this matter please do not hesitate to contact me on the above telephone number.

Yours faithfully
