Comments On Proposal

LLFA received this Full planning permission for the erection of 3no. two storey buildings each comprising of six apartments (18 in total), together with associated ancillary development, hardstanding, landscaping and footpaths on 13th March 2025 . LLFA already commented on this application under ref no. 213457 in october 2021.

The site is in relation to a previous planning approval reference 213457. This proposal is seeking to extend the period of time for the approved application to be implemented. Except for the Block Plan (LHD24) has been updated to revision B, all plans remain unchanged.

LLFA asked for more information regarding drainage, so we need that information in order to review the surface water flood risk on the proposed site.
