Conditions and/or Reasons

1. Timescale

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In pursuance of s.91 of the Town and Country Planning Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered 203/201 Rev B received by the local planning authority on 4th March 2026 and 203/201 Rev C and 203/200 Rev C received by the local planning authority on 28th April 2026. Except where stated otherwise on the approved drawings, the materials to be used in the construction of the external surfaces of the extension hereby permitted shall be of similar appearance to those used in the existing building, unless otherwise agreed in writing by the local planning authority.

Informatives

1. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

2. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. All contractors working on site should be made aware of the advice and provided with the contact details of a relevant ecological consultant.

3. The development hereby permitted is liable to pay the Community Infrastructure Levy. The Liability Notice issued by Wokingham Borough Council will state the current chargeable amount. A revised Liability Notice will be issued if this amount changes. Anyone can formally assume liability to pay, but if no one does so then liability will rest with the landowner. There are certain legal requirements that must be complied with. For instance, whoever will pay the levy must submit an Assumption of Liability form and a Commencement Notice to Wokingham Borough Council prior to commencement of development, failure to do this will result in penalty surcharges being added. For more information see the Council's website - Community Infrastructure Levy advice page. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.
