

WITNESS STATEMENT OF

[REDACTED]

Relating to

**Land East of Castle End Road, Hare Hatch,
RG10 9TL**

I, [REDACTED] of [REDACTED]
[REDACTED] declare that the facts in this statement come from
my personal knowledge:

1. I have lived at the above property for some 18 years. It is situated on the south side of Milleys Lane. Winton Manor lies to the east and there are open agricultural fields adjacent to the south (as shown on the attached Plan 1).
2. When I first moved to the property the agricultural fields were used for arable farming purposes. I know [REDACTED] who lives at Winton Manor. I am aware that in around 2017 he purchased the agricultural fields and shortly after they began to be used for the grazing of sheep. I understand that the farmer who keeps the sheep uses a rotation system so the sheep are not there continuously for the whole year but the land has been used for the grazing of sheep each year since 2018.
3. Occasionally there have been cases where the sheep have escaped from the field into my property and either [REDACTED] or the farmer have contacted me to arrange to come and collect the sheep and repair the fence.

AND I believe that facts in this Witness Statement are true.
