

PLANNING REF : 242558
PROPERTY ADDRESS : 14 Culver Lane
: Earley, Reading, Berkshire
: RG6 1DS
SUBMITTED BY : Robert Grindley
DATE SUBMITTED : 11/10/2024

COMMENTS:

Two items on the application need to be clarified:

- 1) Precisely where will the wall of the building be; will it be the same as the current property? We need to know if the current path between 12 & 14 will still exist. The boundary marked out in the application is too small to see the extent of the building work.
- 2) The boundary marked on the application seems to be incomplete. Should it show that the property at no. 12 extends to the rear of the garden, including a new, occupied house?
