Appraisal :

1.) Impact upon the residential amenity of the neighbouring dwellings.

The proposed development is to vary the requirements of conditions 01 of application 95/63060/F, which controls the hours of delivery from 8:30 am to 6:30 am. The main reason that this variation to the condition has been requested, is to allow for the removal of the animal bodies on a once a week basis. Due to the sensitive nature of the removal, they need it to be carried out prior to the start of business.

While it is considered that 6:30 am is too early, especially on a Saturday. ~~Therefore~~ However, these deliveries are only carried out on a weekday. Having discuss the actual requirement of the delivery the condition is actually only required from 7:00 am onwards. The property faces ~~Therefore~~, on to Beechwood Ave, which is a relatively busy road to the shopping precinct, and therefore it would not ~~is unlikely to~~ create a level of noise and disturbance, which would have a significant detrimental impact upon the amenity of the adjacent dwellings.

Dear M/s Lake.

I understand that Mr Nick Butcher is seeking planning permission to extend the hours at the veterinary practice over the road. He is already working beyond the hours originally agreed. Whatever concessions he has ever won, he is never satisfied.

We, locally, all understood that the Veterinary practice would be a family small 'family type' practice, only open for very

2/ restricted hours. The practice has been extended and extended, with many more staff coming and going. We have protested about the gateway into Woodways to no avail. Whatever next? We visualize Mr Butcher starting to take over neighbouring properties as Kennels. Please do what you can to curb Mr Butcher's ambitions. He is obviously a very difficult man to deal with, and utterly uncaring about the effect his very busy business venture, is having on this formerly peaceful and pleasant corner. Yours sincerely J. O'Rourke

Dear Sir

I am writing regarding application 20:-VAR/2000/1804, the proposed variation to allow delivery times to include the hours of 6-30 am to 8-30 am at the Beechwood Vets opposite our property.

We are objecting to these deliveries at such early hours & feel there is no need for it especially as some evenings we are disturbed by late emergencies & comings & goings very late in the evenings.

Also the big vehicles that deliver the large (I presume

I hope this will all be taken into consideration in the final decision.

Dear M/s Lake

With reference to the above planning application, we object most strongly to any extension to the collection and delivery times at No 35, Beechwood Avenue. The other morning they were shifting stuff at about 6.20 A.M. Whatever you grant, they demand more and more - and more. Please do not grant this application

YOUR PLANNING APPLICATION

WHY DO YOU NEED TO MAKE A PLANNING APPLICATION ?

New buildings, major alterations and enlargement of existing buildings, and many changes in the use of buildings and land need planning permission.
The Town and Country Planning Acts impose a duty on Local Authorities to control these changes, and this means that a balance has to be found between the need and pressure for change, and the desire to protect the character of settlements and the countryside.
The merits of each application are, therefore, carefully examined.

WHAT ELSE MAY YOU HAVE TO DO ?

Listed Building Consent:	for works to a Listed Building; or for demolition works on land within the curtilage of a Listed Building or within a Conservation Area.
Advertisement Consent:	for the display of advertisements or signs
Building Regulation Approval:	for most new building or construction work.

Special forms are available for these types of applications.

You should also check whether there are any other regulations with which you may need to comply.

WHAT HAPPENS TO THE APPLICATION ?

It will first be checked to see if it is complete and if it is, it will be registered.

Consultations will be carried out with public and other bodies, such as the Highway Authority, or Local Parish Councils.

Publicity may be given to allow local people the opportunity to comment on your proposals.

The application will be considered in relation to the Council's planning policies and guidelines, the past history of decisions on that site or in the locality, other standards (such as parking, or visibility at road junctions), and any other material considerations.

The site will be visited by a Planning Officer You may be asked to submit more information, or to amend your application.

The application will then be considered either by a Planning Committee or Sub Committee (made up of Councillors) or by the Chief Officer responsible for planning matters. Objections to an application will be taken into consideration by the Committee or the Chief Officer.

Shortly after the application has been determined, you will receive a Decision Notice.

HOW LONG WILL IT TAKE ?

An application will generally be determined within eight weeks although a longer period may sometimes be required for a complicated application.

WHAT SORT OF DECISION CAN BE MADE ?

Your application may be approved.

Your application may be approved subject to certain conditions. These could impose restictions on the use of land or buildings, or require further details to be approved at a later stage, (e.g. materials or landscaping).
You may appeal against the conditions, but this opens the entire permission to review by the Secretary of State.

Your application may be refused. The reason will be listed on the Decision Notice.

WHAT HAPPENS IF THE APPLICATION IS REFUSED ?

You have the right to appeal against the refusal to the Secretary of State, but you have to do that within six months. Appeals can be dealt with by written representations by both sides, or by a Public Inquiry.
You may ask the *Planning Officer whether an amended application would be more likely to receive* planning permission.
