Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

I wish to increase the ground floor extension further from that shown in the drawings of approved application 250853.

Furthermore, Informative Point 7 of the decision letter states that CIL is due on this development. However, I am the owner and occupier of the dwelling and I have come to understand that I am able to get an exemption on paying any CIL levy for the proposed development. I wish to have the requirement to pay the CIL levy on this development waived/removed and will attach CIL Forms 1,2 and 9 accordingly to this variation application in support of this.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Currently, application 250853 shows a ground floor and 1st floor extension that results in an increase of approximately 100.6m2 to the floor area of the existing dwelling. I would like to extend the ground floor only, by a further 2m backwards (with no extension further sideways than shown in application 250853), adding a further approximately 16.4m2 of floor area; this will result in a total increase to floor area of 117m2 over that of the existing dwelling (ground and 1st floor together).
