Dear Madam,

PLOTS 1 & 3 MAYFIELDS, SINDLESHAM –
APPLICATION NO: 0/2002/8186 AND F/2004/1105

After finally having received the landscape architect's comments for the above project, dated 12th July, I enclose our revised landscaping scheme (drawing no. 1756/14C) with the following revisions:-

1. The driveway for Plot 1 has been reduced in width to accommodate a hedge near the boundary.
2. The access for Plot 2 has been reduced to 3m width.
3. Instead of the low level Erica a Beech hedge has been introduced between the plots. The Acer has been replaced with a Hypericum calycinum (Rose of Sharon) at the front of Plot 3.
4. Where possible it is intended to retain the existing hedge. An additional new hedge has been indicated at the front of Plot 4.

I hope that the revised landscaping scheme provides sufficient information to satisfy the relevant conditions of the Planning approvals.

Looking forward to hearing from you shortly.

Yours sincerely
For Andrews Kalik Harris Partnership

Susan Wieck.
