Our Ref. DP/JAT

Dear Madam,

**RE: LOCATION OF ARCHIVE STORE – APPLICATION No CIR/2001/3546**

Further to our meeting on site earlier today to discuss the delivery and positioning of a Premier Transline Jackleg TU24 Unit at the rear of Moat House, Biggs Lane, Arborfield, we confirm the following item.

It was agreed at our request to adjust the position of the unit from the location shown on the drawing no. DOCSTOR/1 submitted with the application to now align centrally with the doorway from the adjoining W.S.M offices, as shown on the revised layout DOC.STOR/1/R1, copies enclosed.

We understand that there are no other comments or requirements related to installing this facility and we are therefore proceeding with the work, which should be delivered and positioned shortly after the Easter holidays.

Yours faithfully,

D Potter
For & on behalf of BPD Ltd

CC Mr J Cavanna - DHE

**Application Number CIR/2001/3546**

**Appraisal:**

The application being considered proposes the siting of a temporary building for storage of archive documents by the Ministry of Defence (Building and Property Defence Ltd.) at Arborfield Garrison, Arborfield.

Impact upon Neighbouring Residents.

The proposed building has been relocated so that it is grouped with the existing buildings, which form the Building and Property Defence department of the MOD. The proposed building is a common pre fabricated single storey building, which will cover a floor area of approximately 19m2. To the rear of the proposed site are residential dwellings (along Buttenshaw Avenue) which form part of the garrison. However, given the scale of the proposed building and the distance from the houses to the rear it is not considered that it will have a negative impact upon the living conditions of the residents.

Impact upon the street scene

The proposed building is to be sited to the rear of the Moat House, alongside two existing pre-fabricated buildings. Although the building will be visible from Buttenshaw Avenue it is not considered that it will have an adverse impact upon the street scene.
