

PLANNING REF : 252782
PROPERTY ADDRESS : London Road
:
: RG109EL
SUBMITTED BY : Dr Paul Atherfold
DATE SUBMITTED : 22/11/2025

COMMENTS:

If this gets approval then we know that the planning officials are on the take. The consequences to the environment and nature reserve would be catastrophic. I have seen many examples of this sort of establishment set up with all great intentions, only to find wide spread pollution on site and the surrounding areas.
