Dear All,

This is to notify the discharge of condition 4 (Obtaining a license from Natural England) of planning application reference 240559.

The email below confirms that the license has been obtained from Natural England for the site.

In case of further questions regarding the license, please contact Sarah@wenman-ecology.co.uk (the ecologist who assisted in obtaining the license)

I would appreciate it if you could provide an email or document that confirms the discharge of condition 4.

Regards
Gbenga

Dear Sarah Foot,

Thank you for submitting your site registration form (**RC168-10501A**) received on **18/12/2024** for **14 Old Bath Road, RG4 6TA, SU 756744**.

Based on the information provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class license WML-CL21.

Please find attached a **licence return form** which you must **complete and return to Natural England** (BatLowImpactCL@naturalengland.org.uk) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than **28/05/2025**.

Confirmation of Natural England charge

In our acknowledgement email sent to you on 20/12/2024, we confirmed that your site registration will be charged at a fixed price of £130 plus time spent if a Further Information Request is issued (charged to the nearest 15 minutes at our variable price rate).

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below.
