Dear Mrs Cooper

**RE: AMENDMENTS TO APPLICATION F/2002/6481 – 54 FIDLERS WALK, WARGRAVE.**

I refer to your letter dated 29th December 2007 with reference to the above.

I write to inform you that the alteration to the entrance lobby and car port area at the front of the dwelling as shown in the submitted drawing no 1001-GA-01 REVA has not been accepted as a minor amendment as it would result in an increase in volume and change in visual appearance materially different from the approved application. To precede with this amendment a new planning application would be required, for which the appropriate forms are enclosed.

I trust this advice is of use to you and should you wish to discuss the matter further please do not hesitate to contact Jonathan Kilner on the above direct dial number.

Yours sincerely,

Mrs Jenifer Jackson
Principal Planning Officer – Northern Parishes Area

I refer to the above application number for which we received approval from your department on 12/06/2002.

Enclosed are drawings showing the alterations to the approved plan.

Would you be kind enough to let us know how we should proceed with this request at your earliest convenience.
