Yes  
 No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Consent 021944 approved the development of 5 no office (B1(a)) units, approval dated 8th September 2003. The consent was implemented and the entire building has been in office use since development. The last occupier of the ground floor suite vacated in summer 2023. The unit has been vacant and available to rent since that time.

as noted above

Select the use class that relates to the existing or last use.

E(g)(i) - Offices - Except where not suitable in a residential area

#### Information about the proposed use(s)

Select the use class that relates to the proposed use.

E(e) - Medical or health services - Except premises attached to the residence of the provider

Is the proposed operation or use

Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A veterinary surgery provides medical & health services, and is clearly therefore within Class E(e). No planning consent is required for any change within the same Use Class.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes  
 No

(a) a member of staff  
(b) an elected member  
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes  
 No
