COMMENTS:

Winnersh Parish Council's Planning and Transport Committee object to the application on the grounds that the number and scale of the proposed advertisement signs are excessive and inappropriate for the location.

The proposed level of signage is unnecessary and visually intrusive. The area is already well lit and therefore there is no need for any of the signs to be illuminated. This would contribute to unnecessary light pollution and visual clutter, particularly during the evening hours.

In addition, the proposed totem sign appears excessively high and disproportionate to its surroundings, creating an overbearing presence.

Should the illuminated advertisements be approved, the Committee respectfully request that a condition be imposed to ensure that any illuminated signs are only lit during the premises' opening hours, to minimise visual impact.
