Reference number

Date of decision

22/05/2025

What was the original application type?

Householder planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☒ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☐ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The material to the dormer side cheeks externally, to be altered from brickwork to composite cladding. We have also altered the rear dormer eaves to match the front dormer, on the side extension. Also, the front door side windows are proposed to be full height, obscured glazing.

Please state why you wish to make this amendment

Due to the structural design, the brickwork to the side of the dormer was not viable. A lightweight option was chosen instead.
A gutter was needed to the rear elevation, therefore the eaves, matching the front dormer, created a feature to carry the waste rainwater.
The front door windows will provide more light to the hallway, as well as additional privacy with the new design.

Are you intending to substitute amended plans or drawings?

It is an important principle of decision-making that the process is open and transparent.
