Lisa can you check whether there are any restrictive conditions?

Dear Sir

Re: Extension to 30, Gilbert Way,Finchampstead.
Application No: F/2001/5520

Please find enclosed our sketch showing position of trees in relation to the above extension, as requested.

The tree,s are in a neighbouring property and of mature age with an approxiamate height of 17 metres, and look in a fairly good condition. Before any excavation is carried out we will double board the surrounding area of the extension to avoid soil compaction.

Trust you find all satisfactory, we ask if you could this matter your urgent attention as we wish to progress with the extension the earley part of week commencing 28th November.

Yours faithfully
