Dear Mrs Malins

Re: Planning application number: F/2001/5520 – 30 Gilbert Way, Finchampstead – proposed two storey side extension to dwelling.

I refer to your letter received by the Local Planning Authority on the 18th October 2005. I write to confirm that the proposed changes to the consent granted above: to retain the existing chimney and not to build the lean-to-section to the rear of the extension, can be considered as a minor amendment.

If you need any more advice on the situation please do not hesitate to contact me on the direct dial number above.

Yours sincerely

MINOR AMENDMENTS

--5520

Dear Sirs

Re: Planning Application No: F/2001/5520 - 30 Gilbert Way, Finchampstead, Wokingham - Proposed two storey side extension to dwelling

Please accept the attached amended plans of the above approved permission as a minor amendment.

The minor amendments include not demolishing the existing chimney and not building the lean-to section to the rear of the extension.

We look forward to hearing from you in the near future as we hope to start work on the extension in January 2006.

Yours faithfully

T. Malins
