Verification of Application Evidence

Permission to carry out limited crown lifting to a maximum height of 4.6m is requested in order to be able to allow an HGV lorry to access the car park of Hurst Bowls Club RG10 0SJ.
There are two trees and one group of trees all subject to TPO 1855/2022. The trees in question are a group of Yew trees G1 in the grounds of Highfields on the left of the access road to the bowls club, a Sycamore tree T2 in the access road outside the bowls club and a Horse Chestnut tree T3 in the Castle Inn property adjacent to the access road to the bowls club.
