Ben

Planning Technician

Wokingham Borough Council

17th October 2024

Dear Ben,

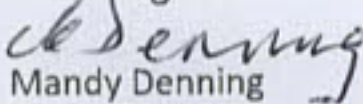

Re: Application 242579 - Avalon, Finchampstead

Regarding your recent email please find the information as requested:

The Conifers at the end of the drive are encroaching on the neighbour's property and the drive itself. We want to reduce them from 9m to 6m high as they are too big to manage and keep them maintained. We also would like to trim and tidy the sides as they have been done before.

Please do not hesitate to contact me if you require any further information.

Kind Regards

Mandy Denning
