PROPERTY ADDRESS : 39 Old Bath Road Charvil
: Reading, Berkshire
: RG109QP
SUBMITTED BY : Mr Lee Fox
DATE SUBMITTED : 04/12/2025

COMMENTS:

We object to this being built ,

Extremely dangerous for the village, we don't want to this due to environmental risk , public safety concerns, will be a heavy vehicle impact on the small narrow bending roads up to the area , fuel , fumes pollute the area

Serious risk for residents, residents, children on foot school , to/ from dangerous

More heavy traffic passing houses

More noise pollution aswell

Will look hideous in a lovely village

Please don't except
