

PLANNING REF : 260287
DATE SUBMITTED : 05/03/2026
PROPERTY ADDRESS : I Chaseside Avenue

: Twyford, Berks

COMMENTS:

: RG109BT

1) I have been in this property for 12years,I would never envisage that at the bottom of my garden that somebody would build a detached 3 bedroom house at the rear of their garden in full view of my property.

2) Consequently giving me great loss of natural light and intrusion of my property.
Also loss of light to my greenhouse and garden, leading to what I grow with poor light.

3) Concerning the Driveway, for the cars causing noise and pollution so near to me, and with the vehicles coming and going at all times particularly late at night causing disturbance.

4) As we understand the piece of land that runs alongside number 16 Chaseside avenue is Council owned,so who gave permission for the two lovely trees to be cut down?

5) The house that is intended to be built is not in keeping with all the properties that run alongside.

6) What and how is the drainage and all the other Amenities going to affect us?.
