Informatives

1. This decision solely represents the determination of the Local Planning Authority under Schedule 2, Part 11, Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) as to whether it's Prior Approval is required in respect of demolition. The applicant is advised to investigate whether consents or permissions under any other regulatory regimes, including building control, are required.

2. Bats are a protected species under the Conservation of Habitats and Species Regulations 2017 (as amended). Should any bats or evidence of bats be found prior to or during the development, all works must stop immediately and an ecological consultant contacted for further advice before works can proceed. Failure to complete this form can incur a penalty surcharge. Please submit all CIL forms and enquiries to developer.contributions@wokingham.gov.uk.
