

PLANNING REF : 243125
PROPERTY ADDRESS : 5 Remenham Row
: Wargrave Road, Wokingham, Berkshire
: RG9 2LQ
SUBMITTED BY : Mr Mr Leon and Mrs Maureen Summers
DATE SUBMITTED : 04/02/2025

COMMENTS:

We would like to express our objection to the proposed works at Thamesfield Retirement Village
Our views are in total support of the detailed objections registered to date and in particular express our concern that the planning application is misleading in many respects the lack of details effecting the current residents at Thamesfield and Remenham Row should be emphasised in particular the style of the proposed works is in no way in keeping with the local area and in total contrast with the existing building, has no respect for the current residents removing the well designed and purposeful functions / lounge room together with the removal of interior walkways / corridors removing internal access to the communal areas for some of the current and possible new residents.
The total and bad effect that will be imposed on the Remenham Row with the inappropriate height and intrusion that will be imposed together with the noise levels within the retirement properties we hope will result in the refusal of the application.
