

T15 – branches of T15, growing closer to the roof of No 1, Heather Close.

Need these branches trimmed back from No 1, Heather Close by at least 2 metres.

T16 – Branches of T16, growing closer to the roof of our house, 28 Carolina Place, where squirrels are running along and jumping to the roof.

These branches need to be trimmed back by at least 2 metres.

T15 and T16 – Branches of T15 and T16, merging together, restricting light into No 1, Heather Close and 28 Carolina Place.

Branches of T16, growing over and hanging over the fence, over the footpath.

The branches of both trees need to be trimmed back and cut down by at least 2 metres as well as get rid of a number of dead branches.
