Appraisal :

This application proposes a first floor rear extension to this detached house within the settlement boundary.

The extension would have a lower roof with gables on each end. Two bedroom windows would be inserted in the rear elevation with two in the side elevations. The windows on the rear elevation have now been deleted.

The site is very well screened with 10-11 metre conifers on the South and western boundaries. The adjacent neighbour No 310 has no side windows and would not be overlooked. The conifers prevent any overlooking or overshadowing impact on No 310.

From the front only a small part of the extension would be visible over the existing rear extension. The low roof and narrowness help reduce any adverse impact on the streetscene.

There is a detached double garage with a long driveway which provides adequate parking.
