

PLANNING REF : 253074
PROPERTY ADDRESS : Salix
: Tape Lane, Hurst Reading, Berkshire
: RG10 0DP
SUBMITTED BY : Prof David Clifford Bassett
DATE SUBMITTED : 04/05/2026

COMMENTS:

This development will cause irreversible harm to the character of Hurst. It would place a suburban estate, out of context to its surroundings, on this important central site. Moreover, the sole access from School Road will exacerbate traffic problems. Even now the regular inappropriate parking of just one car opposite the exit from Tape Lane forces cars turning right from the lane into the path of oncoming vehicles. This would only get worse.
