COMMENTS:

I would like to object to the planning application 252498.
Whilst the need for the country to build more homes, Wokingham has contracted to more than its fair share. However, it is clear that a very large development is inevitable and so there is one issue more than any other that I object to - the location of the proposed Gypsy and Traveller pitches. The proposal is to build the site adjacent to the existing residential properties of Wheatsheaf Close. Wheatsheaf Close is a family orientated community. Gypsy sites are notorious for their noise and general lack of community integration. The families in Wheatsheaf Close will be left feeling unsafe in their own homes. If a site needs to be found, put it in a place away from existing or new residential homes.
