Dear WBC Highways,

PN Class MA Commercial to Resi Consultation

Application Number: 242027

Applicant: Singh

Site Address: 68 - 70 Peach Street, Wokingham, Berkshire

Parish: Wokingham Town

Grid Reference: Easting - 481423, Northing - 168691

Type of Development:

Proposal: Prior approval submission for proposed change of use of the commercial premises on the first floor to 2 no. dwellings.

Case Officer: Rowan Reynolds

Development Management has received the above application and we require your comments on the proposal using the recommended memorandum below. The documents associated with this are available to view in NEC DM using the application number 242027. Alternatively, public documents are available to view on the Council's planning application search page: [Wokingham Borough Council Online Planning](#).

Please index your response into NEC DM against the application. If you are recommending conditions, you should give a reason with reference to relevant policies. A list of standard conditions can be found on the Z Drive at: [Z:\Standard Planning Conditions](#).

Your observations are required in respect of this application within **10 working days** of the above date or **15 working days** if the development type is classed as a major development.

Yours sincerely,
Development Management & Compliance

From:	JP		
Service	WBC Highways	App No:	242027
Address:	68 - 70 Peach Street, Wokingham, Berkshire.		
Proposal:	Prior approval submission for proposed change of use of the commercial premises on the first floor to 2 no. dwellings.		
Type of Development:			
Site Visit Made:	Yes/No		

Summary Of Recommendations

- ☐ No comment
- ☐ No objection
- ☐ No objection subject to conditions (and reasons) **stated below**
- ☒ Request further information before determination as **stated below**
- ☐ Objection due to the reason(s) **stated below**

Comments On Proposal

General

The latest approved Planning Application in relation to this site is 141855. The proposal will convert the first floor of a commercial building (Use Class E) into 2 no. of residential units (Use Class C3) under Prior Approval Class MA. Both units will consist of two habitable rooms. The key highways considerations for PN Class MA are transport impacts of the development, particularly to ensure safe site access.

There is no proposed change of access arrangement. The traffic generated from the two dwellings are unlikely to have significant impacts on the wider highway network.

Parking

According to the WBC Car Parking Standards, the development of such scale in Urban location will require a minimum of two parking spaces if they remain unallocated for the two dwellings. Each parking space shall have minimum dimensions of 5.0m x 2.5m.

With reference to the supporting statement of 141855, the ten car parking spaces directly in front of the property are not exclusive to the site. The applicant shall clarify if they have access to any adjacent allocated / unallocated parking spaces, evaluate on the existing utilisation and assess whether the unutilised parking will be sufficient to meet the parking requirements.

Cycle Parking

The Highways recognise that alternation of external spaces of the building is not covered by this Order, this will be conditioned separately.

Refuse Collection Strategy

The applicant shall clarify whether the existing refuse collection arrangement for commercial uses will be retained.

Conditions & Reasons (if required)
