Appraisal:

1) Impact on street scene /visual impact.

The proposal is for a new pitch roof over the existing single storey front flat roof extension of a 2 storey detached house.

It will be 10 metres wide and will project 1.7 metres, the existing depth of the single storey front flat roof extension. The proposed eaves height of the lean to pitched roof will be 2.4 metres with a ridge height of 3.6 metres.

Although it will be visible from Wildcroft Drive and Croft Road, it will improve the overall design of the property. The proposed materials will match the existing main house roof therefore no adverse impact on street scene/visual amenity of the area - considered acceptable.
