WITHOUT PREJUDICE

Dear Mr Thomas

RE: PROPOSED INSTALLATION OF SOLAR COLLECTORS ON ROOF OF WILLOW COTTAGE, WOKINGHAM ROAD, HURST

I refer to your application for both planning permission and listed consent for the above-mentioned proposal.

On several occasions confirmation has been requested on the scale of the plans received on 14th April 2000. Furthermore, there are still discrepancies in the plans submitted and the applications have been considered to be invalid and as such the applications have not been determined.

However, notwithstanding this the proposal is considered to be unacceptable and likely to be refused due to its impact on the character and appearance of the listed building on which the panels would be sited.

In view of the above, if I do not hear from you within 14 days of the date of this letter, both applications will be treated as withdrawn.

Yours sincerely

Proposal:
Installation of solar water heating collectors on roof
Application Number: LB/2000/0674

In response to your consultation for the above application, the Conservation/Design/Listed Buildings comments are as follows;

1 The elevations [front and side] indicate the size and position of the proposed panels. No plans are provided, but the illustrations clearly indicate that the storage facility would have a significant visual impact on the listed building.

2 Even though the building is well screened from the public highway, and therefore its impact on the setting is limited, this proposal would be detrimental to the character of the listed building and should be refused.

3.The Site plan indicates the collector to be located on the shed roof, just inside the entrance gate. This detail requires clarifying, but the principle of this proposal is unacceptable in conservation terms.

Harold Sanders.

Harold Sanders
Conservation Architect

1. I CONSIDER THE DETAILS NOW SUBMITTED PROVIDES CONFLICTING INFORMATION ON THE EXTENT OF THE SOLAR WATER HEATING COLLECTORS. EVEN THE SMALLEST, AS SHOWN ON SIDE ELEVATION, WOULD BE VISUALLY UNACCEPTABLE.

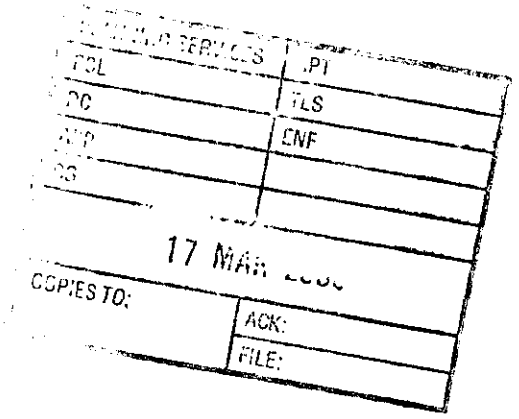

Harold 2. I CONSIDER THE SCALE AND DETAIL OF THE COLLECTORS WOULD BE UNSYMPATHETIC TO THE CHARACTER OF THE LISTED BUILDING AND CONFLICT WITH POLICY WHE 13 OF THE W.D.C. LOCAL PLAN DEPOSIT DRAFT

Dear Mr Thomas

RE: PROPOSED INSTALLATION OF SOLAR WATER HEATING PANELS AT WILLOW COTTAGE, WOKINGHAM RD, HURST

I refer to your recent applications for planning permission and listed building consent for the above-mentioned proposal.

Following a site visit and conversation with Ms. Hopper the elevations submitted with the applications appear to be incorrect. In addition the building marked in red on the submitted site plan is a shed. In view of the above the applications are invalid until the correct information is received.

I look forward to receiving revised plans in the near future.

Yours sincerely
