COMMENTS:

After reading the late entry from Charvil Parish Council of 27/07/26 I must strongly object to C.P.C. trying to reserve the right of a Footpath linking C.L.Way , and The Hawthorns with the new " Bellway " development on planning 253071 .It will block Private Land and you also ask to save land for this over private property not owned by " Bellway" . The rules of a " Blind Alley " force a tight path around garden fences with Zero visibility. Police have stated " it invites crime & anti-social behaviour ".I understand that such a path in Pennine Way has had motorbikes causing a nuisance there. Also such a path ruins privacy when close to fences and security also.The Parish Council has already ADMITTED DEFEAT WITH AGREEMENT TO POLICE CONCERNS in their earlier postings saying with these concerns it means the path is not viable . It has been strongly opposed by signed petitions and argument via this page and as such it is not wanted by the majority of people . Mr G.E.Orange 21 C.L.Way.
