Site Visit Made:	No		

Summary Of Recommendations

No objection subject to conditions

Comments On Proposal

The application proposes the demolition of elements of Little Gables – an attractive 19th century cottage, along with the attached neighbour of Lychgate Cottage - with the subsequent construction of new single and two-storey additions. Little Gables is located within the heart of the Arborfield Cross Conservation Area, sited just to the north-west of the village green and former duck pond. The cottages feature notably in the Conservation Area Appraisal and by virtue of their age, architectural and historic interest, as well as the positive contribution to the character and appearance of the Arborfield Cross Conservation Area, Little Gables/Lychgate Cottage are identified as non-designated heritage assets (NDHAs).

The amended scheme has sought to address initial concerns over the proposal, with the increase in traditional detailing and fenestration welcomed. Given the extant mis-matching bricks, it is important new materials seek to best match the existing, and where possible, improve upon it. As with all built elements in the historic environment, detailing and the quality of the architectural elements is important to preserving the character and appearance of the heritage assets.

Further the amended proposals, no objection is raised to the application from a heritage perspective. If minded to approve, the below conditions are advised.

Conditions

Notwithstanding information shown on the approved drawings, no relevant works, or those above slab level, shall commence on site until details of materials and finishes have been submitted to and approved by the Local Planning Authority in writing. The submitted details should include physical samples as applicable. The works shall then proceed in strict accordance with the approved details. These requirements include provision of information relating to:

- 1. the material, size, texture, colour, profile, and source of facing brickwork and jointing mortar;*
- 2. the material, size, texture, colour, profile, and source of roofing materials;*
- 3. materials and finishes to be used in the detailing of valleys, hips, ridges, gables, parapets, eaves and verges;*
- 4. the proposed rainwater goods*

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full working details of all windows and doors and related joinery, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements, glazing, glazing units, glazing bars, and methods of opening. Drawings shall be at a minimum scale of 1:10 and with details at 1:5. The works shall then proceed in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

Date:	16/10/2025	Signed:	Roderick McDonald Built Heritage Officer
