Planning Issues :

1) Impact upon neighbouring Properties

2) Impact upon Street Scene.

Application Number: F/2000/3263

Appraisal:

The proposed development is for a single storey rear extension to form a conservatory. It would be 5m wide, 5m deep and have a pitched roof, 2.3m to the eves and 3.2m to the ridge.

The property is detached, with a 1.8m fence enclosing the rear garden.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as the conservatory would be set away from the boundaries and is single storey.

2. Impact upon the character of the street scene

The conservatory would be visible from Beaver Way, but would be largely obscured by a 1.8m fence and vegetation in the garden of No.10. The materials used would match or be in-keeping with existing and it is therefore considered that there would be no adverse effects upon the character of the street scene.
