Planning Issues :
1) Impact upon neighbouring properties
2) Impact upon Street Scene.

Application Number: F/2000/3266

Appraisal:

The proposed development is for a single storey Cedar wood summerhouse to the rear of the dwelling. It has a stretched octagonal shape and would be 2.4m wide, 1.8m deep and have a pitched roof, 1.9m to the eves and 2.6m to the ridge.

The property is detached, with a 1.8m fence enclosing the rear garden and several Silver Birch trees along the boundaries with 53 and 47 Ridgeway.

1. Impact upon neighbouring properties

It is not considered that there would be any adverse effects upon neighbouring properties as only the roof of the summerhouse could be viewed above the fence, and it would be at least 8m from all neighbouring properties.

2. Impact upon the character of the street scene

The summerhouse would not be visible from Ridgeway; it is therefore considered that there would be no adverse effects upon the character of the street scene.
