COMMENTS:

I strongly object to the proposed modification to Lower Earley Way turning this into a dual carriageway to provide a relief road for the area. This will have significant impact on the home owners in Paddick Way and the Manor Estate (access via Barn Croft Drive) with as a result of the increase in noise and pollution levels due to the inevitable increase of heavier vehicles that will migrate to this route. Access from both Paddick Way and Barn Croft will be impacted as the ability to turn right out of these roads will be removed. Access will also similarly be impacted.
