COMMENTS:

LB242045 - 11-13 Broad Street - Zizzi restaurant.
The Wokingham Society encourages well designed shop fronts and signage that retain the historic style of the town and Market Place. It is noted that the previous application has been approved. There could be an argument as to what is acceptable 'good design'

in an historic setting of shop fronts and signage.
Of concern is the illumination of signage and creeping popularity of grey/black shop fronts that is turning the town into a dark dismal location.
