Dear Mr Duncan

REGULATION 14(2) NOTIFICATION FOR EMERGENCY WORKS
TREE PRESERVATION ORDER: 1883/2022
APPLICATION NUMBER: 252010
LOCATION: ST BARTHOLOMEWS CHURCH, CHURCH LANE, ARBORFIELD, READING RG2 9JD

Thank you for your valid Regulation 14(2) notifications which was received on the 20 August 2025.

I can confirm that under Section 14(1)(c) of the Town and Country Planning (Tree Preservation) (England) Regulations 2012, you can undertake the following works listed below, because the tree(s) are considered to be in the category of 'dead and / or dangerous' with the potential to cause harm to persons/property.

Evidence was submitted to the Council confirming works are required to make the area safe. The Council deems it necessary to not object to the works listed below, at this time.

Proposed works to A1 of TPO 1883/2022

One dead Holly tree, next to a dead Birch, both next to the main concrete walkway to the church front door, on the left-hand side as you approach the church door, behind the security light.

One Elm sucker, next to the footpath immediately to the left of the children's play area as you enter the graveyard.

Reasons stated for works:

Health and safety issue. High target area.

Private information that contains a small amount of sensitive data which is essential to communicate with an individual but doesn't require to be sent via a secure method

Informative:

You are advised that this letter is in respect of the **Tree Preservation Order only** and it does not imply that consent would be forthcoming from the owner of the tree(s) or any such other persons from whom consent would be required.

Please contact the Tree and Landscape Team on 0118 974 6000 if you have any queries or wish to discuss this further.

Yours sincerely

Chris Hannington
Trees and Landscape Team Manager

Please note that your attention is drawn to the following information:

Bird Nesting Season and Presence of Bat Roosts

In accordance with the Wildlife and Countryside Act (1981) and Countryside Rights of Way Act (2000), consideration must be given to the timing and type of tree work operations, to avoid causing disturbance to any nesting birds or bat roosts that may be present within the tree(s).

The Act makes it an offence (subject to exceptions) to intentionally kill, injure, or take, possess, or trade in any wild animal listed, and prohibits interference with places used for shelter or protection, or intentionally disturbing animals occupying such places.

It is advised that all non-urgent major tree work and hedge cutting operations are undertaken at a time to avoid disturbing nesting birds during the breeding season (to which the bird nesting season is considered to be from March to July). Where bats are suspected to be present, it is recommended that advice first be sought from a licenced bat specialist and if appropriate, the relevant licence(s) be obtained before any major tree work or hedge cutting commences.

Forestry Act 1967 and Felling Licences

If it proposed to fell a tree or trees greater than 5 cubic metres or sell more than 2 cubic metres of timber in any calendar quarter, a Felling Licence from the Forestry Authority may be required.

Please note that Felling Licences are not required to remove trees from domestic (residential) gardens. Where you are the landowner of large pieces of land with numerous trees, clarification from the Forestry Commission may be required as to whether a Felling licence is needed.

For more information on Felling Licences, please speak to the Woodland Officer at the Forestry Commission on 01296 696543

Further Information can be found on the Forestry Commission Website:
