Description of Proposed Works

Please describe the proposed works

The fences have been increased in size and now exceed 2m. The fence, which was originally c.a. 1.72m, has been extended by c.a. 60cm to improve the properties security. People walking past the property were able to see into our garden and rooms. We have also had intruders in the rear garden. The police attended and took away CCTV footage.

Please note the dates given below are estimates as the work was conducted about 7 years ago. The need for planning permission to have a fence over 2m has recently been brought to our attention by Wokingham Council after a third party brought it to their attention.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
