This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Pre-application Advice

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title

First Name

Date (must be pre-application submission)

Details of the pre-application advice received

Planning Officer:

In summary, the project accords with national and local policy and therefore is likely to be acceptable subject to a detailed assessment of the proposals impact on heritage assets.

Heritage Officer:

In summary, the Heritage Officer's concern were related to the extent of loss of historical walling to the rear and side of the gable, removal of chimney breasts and chimney brickwork in both levels and removal of sash windows to a different fenestration detailing to the existing, all of which would amount to less than substantial harm to its significance. The Officer was in favor of the replacement of the existing cementitious rough-cast render of the property with the proposed lime render. Additionally, the replacement of the later addition flat roof for a pitched roof to rear would lead to a more visually appearance to the existing house, with no objections to the single story extension.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
